

Book Donation Program

The Degenhardt Foundation Library of Viet Nam has an exciting program to celebrate life's important events. A memorial book program, a birthday book program, and a general book gift program honor special people with an appropriate bookplate. Donated books match the interests of the honored person or match a library need. Your gift contributes to the knowledge and education of the communities in Viet Nam by expanding available resources.

A donation may be in any amount. A book in Viet Nam costs about \$5.00. A picture of the donated book will be sent to the address indicated on the form.

Please fill out this form and donation to Degenhardt Foundation.
